

QASIM MUHAMMAD

Artworker | Designer | Developer

📍 Luton, UK

📞 07506 257 733

✉️ mq12113@gmail.com

PERSONAL SUMMARY

Creative Artworker, Designer & Front-End Web Developer with 16 years of industry experience delivering high-impact digital and print solutions. Skilled in transforming briefs into engaging, commercially effective creative work, from concept development through to production. Experienced in pre-production analysis, traffic management, and project profitability assessment, consistently improving workflow efficiency and delivery standards. A confident collaborator and capable team leader, with a proven track record of managing people, driving productivity, and maintaining exceptional quality under tight deadlines.

KEY SKILLS AND EXPERTISE

Design & Artwork

- Proficient in **Adobe Creative Suite** (*Photoshop, Illustrator, InDesign, After Effects, Acrobat*), alongside **Figma, Sketch, Webflow, Framer, Workiva, CtrlPrint, Proof HQ, PageProof**, and **WIP/traffic systems**
- **Advanced creative layout, typography, and visual storytelling**, producing compelling brand-led campaigns across print and digital channels
- Expertise in **print production, reprographics, packaging, editorial, and digital asset creation**, delivering high-quality, commercially focused design solutions
- Strong understanding of **brand identity systems**, ensuring consistency across all touchpoints while working confidently within strict brand guidelines
- Extensive experience creating **annual reports, brochures, interactive PDFs, presentations, marketing collateral, display graphics, and image retouching/manipulation**
- Skilled in **wireframing, creative concept development, interactive prototyping, and visual communication design**

Front-End Web Development & Digital Production

- Strong front-end development expertise with **HTML5, CSS3, JavaScript (ES6+), ReactJS/TS Node.js** and **SQL**
- Experience building **responsive websites, landing pages, microsites, interactive components, and reusable UI systems** with a focus on accessibility and performance
- Skilled in **UI development from Figma/Sketch designs**, transforming concepts into clean, scalable, production-ready code
- Proficient with **Git / GitHub version control**, collaborative workflows, deployment processes, and maintaining code quality standards
- Experience developing **HTML email templates, cross-client email builds, and responsive email development**
- Strong **background in animated web banners, interactive campaign assets, and motion-rich digital experiences**
- Working knowledge of **APIs, data handling, component-based architecture, and integrating SQL-driven content/data structures**
- Comfortable working across design, development, QA testing, optimisation, and digital production workflows

[Portfolio](#)

[Github](#)

Front-End Web Development

- Delivered launch-ready digital experiences and online assets for leading Silicon Valley technology brands
- Built product launch pages, campaign microsites, responsive HTML emails, digital advertising assets, and customer-facing web experiences
- Worked in fast-paced global launch environments, maintaining high standards of performance, precision, and brand consistency
- Managed projects from wireframe and concept through to build, QA, optimisation, localisation, and launch
- Collaborated closely with creative, UX, development, and marketing teams to deliver polished digital products at scale
- Experienced in localisation and transcription workflows, adapting content for multiple European languages and markets

Print

- Designed and produced annual reports, brochures, flyers, press ads, advertorials, newsletters, packaging, stationery, and interactive PDFs
- Created user guides, training manuals, forms, T&Cs, and branded print communications with a strong focus on usability
- Strong expertise in layout design, typography, print production, and maintaining brand consistency from concept to final artwork
- Confident working across high-volume studio environments, delivering quality work to tight deadlines

Digital Display & Screen Media

- Developed creative for DOOH campaigns, digital 6, 48, 96-sheets, large-format LED screens, and immersive branded screen experiences
- Designed visual content for exhibition stands, experiential activations, retail displays, transport media, and station environments
- Produced static, animated, and motion-led digital assets optimised for a wide range of screen formats
- Strong understanding of resolution, scale, visibility, audience engagement, and environmental design impact

Out-of-Home Advertising

- Created impactful billboards, street furniture, I-MAX displays, station takeovers, bus wraps, taxi branding, and environmental graphics
- Delivered large-scale campaigns designed to maximise visibility, audience engagement, and brand presence
- Experienced in adapting creative across multiple large-format media channels while maintaining visual consistency
- Produced credentials decks, case studies, infographics, company biographies, RFP responses, and keynote presentations
- Designed high-quality PowerPoint presentations for client pitches, internal communications, and new business development

INDUSTRY
EXPERIENCE

- **Freelance** *(Current)*

Artworker / Designer / Web Developer

As a versatile creative professional, I collaborate with a diverse range of clients, including leading global tech brands, to deliver high-quality work across both **print** and **digital** platforms.

On the **print** side, I specialise in crafting **annual reports**, **marketing collateral**, and **brand communications** that combine precision, clarity, and visual impact. Every piece is designed to align seamlessly with brand guidelines and print production standards.

For **digital projects**, I merge strong design sensibilities with technical expertise. Using tools such as **Figma** and **Sketch**, along with my **front-end development** background in **HTML**, **CSS**, and **JavaScript**, **Framer**, **Webflow** I design and build **responsive web banners**, **emails**, and **landing pages**, ensuring all assets are optimised for performance and flawless implementation.

This balance of creative insight and technical execution enables me to deliver end-to-end solutions that are visually engaging, strategically sound, and technically robust.

- **Hogarth Worldwide** *(Feb 2021 – Dec 2024)*

Lead Mechanical Artist (Digital/HTML)

During my time at Hogarth, I worked on the Apple Inc. account, focusing on digital artwork projects such as web banners, marketing pages, landing pages, and product pages. I prepared and created mechanical files for final release to production, leveraging my proficiency in script automation to streamline processes and enhance team efficiency. I managed high volumes of work, including foreign language versions, and collaborated closely with Project Managers across both Print and Digital production teams.

- **McCANN London** *(Jan 2015 – Aug 2020)*

Lead Creative Artworker

Worked on digital and print projects creating high quality final print and digital artwork. Utilised client brand guidelines, technical specs, photography, and supplied text for brands such as **Just Eat**, **Subway**, **Premier Foods**, **eBay**, **Chivas**, **Bayer**, **Reckitt Benckiser**, **Microsoft**, **Mastercard**, **TSB**, **Qatar Financial Centr** and **Saudi Aramco**.

- **LaGloire, Saudi Arabia** *(May 2007 – Jul 2014)*

Creative Artworker/Designer (Arabic and English)

Produced ATL press, OOH exhibition stands and POS materials, from initial brief to repro. Created estimates, booked in jobs, created detailed invoices and managed font buying in my manager's absence.

The slide features a background image of a smiling woman with grey hair and a young girl with long brown hair, both with their arms raised in a celebratory gesture. The woman is wearing a dark patterned top, and the girl is wearing a blue shirt. On the left side, there are several overlapping circles in shades of blue and white. One white circle contains the TSB logo, which consists of the letters 'T', 'S', and 'B' in blue circles. Below it, a blue circle contains the text '©Sabadell'. The main title 'TSB Strategy 2019 – 2022' is written in large, white, sans-serif font in the upper right quadrant. In the bottom right corner, the text 'London 25.11.2019' is written in a smaller, white, sans-serif font.
